Dear Folks - Dad, Mom, Ruth, Tommy, Loren, Dennis, Lydie, Ann, Susan

How are ya! Things are just great down here. The box work is coming along.

Today we have a wonderful zone conference with new challenges and acceptances to the challenges. The theme of the conference was "By your Fruits, You will Be Known". It was really good. Some of the ideas that came out of it are excellent in every thing. Lately I have been reading a book on "Positive Mental Attitude" and the same ideas came out in the conference that a person that can control his thoughts will be a success in whatever he is doing. The thoughts don't make him a success but with the thoughts definite and organized he will do the action it takes him to be a success. That the idea of not making a success will for a ~~sure~~ <sup>certainly</sup> make a person unsuccessful. For example: a missionary that doesn't have any confidence in himself will never be a leader unless he changes his attitude. About spiritual things, I think that you would call it your faith in God.

We have a baptism for Wednesday and the people here are just wonderful as far as teaching goes.

How is Ruth coming? I am sure she is just wonderful. Mother & Dad. I want to tell you again how much I really love and respect you and I am so thankful that I was blessed with such wonderful parents.

Thanks always

Larry
