Dear Folks.

It was good to receive your letter and learn all the news from home. I will try writing some spanish.

Here it is Sunday and I have been here two weeks. It seems like only yesterday I came to Provo and couple of days I enter the Mission Home. Though when I think of all the things that have happen it seems like a lifetime.

In the two weeks I have been here we have covered 100 pages of our book. And passed almost everything I remember taking in high school. I'm doing pretty well even though I want to do better. The first week I got an A in memorization, A- in Oral, A- in

Written; B+ in Dictation; and a D+ in Pronunciation. The Pronunciation grade is in comparison with a native. This week I got A- in Memorization; B+ in Oral; B- in Dictation; C+ in Written and D- in Pronunciation. I went down this week but I know I can do better.

The Spirit that dwells here is just tremendous. Our district have some problems with different pairs of companions and we played about and then held a testimony meeting. There was no problem after that. And the spirit of the district increased so very much.

Hola mi madre y my padre. ¿Cómo está mi familia? ¿Qué hacen mis hermanos y mis hermanas? ¿Cómo están en sus lecciones? ¿Cómo están los misioneros?

Well I have to close now  
so Goodbye

Love always  
Harry
