Dear Gary.

We received your letter some time
ago. and you asked for Bishop Sabin's
President Smith's address. Bishop Sabin's

We are happy that you are accomplishing
so much on your mission but we
know that you hope you can do
the things you want when you come
home.

We will try and send you your Jimmy
Marty early.

The kids are enjoying their break for
Thanksgiving.

Tommy and Louie had planned to
go canoeing but couldn't find an adult
to go with them.

I haven't ~~been~~^{been} set apart as a
state Missionary in fact I haven't even
heard from the Presiding for three weeks.
So I don't know what to expect.

To morrow I don't know what
we will do. Maybe we will go over
and buy water for the ground under
the church.

Things in the U.S. don't settle
down. in fact they are sending more
G.I.'s to Vietnam all the time, and expect
to send even more. But the economy
of the U.S. now depends on the superpowers
for war.

To day Dennis Chawed out the car
and worked the out side pretty good
for a 13 year old. He feels quite proud
of himself. ~~about~~

The weather is quite warm for this
time of year. I hope that it doesn't snow
at all this winter.

Susan now has a Violin I hope
she does as well on it as the
other girls here. It is a school instrument
in fact all of the girls use school instruments.

Love Dad
