

3 JAN 66

DEAR Folks.

Well another week as gone flying by and I don't know where the time has gone.

I still haven't received any word from you so I guess they are being held up by mail. I hope that there isn't anything you want to ask me because within a couple of days, I will get home before the letter.

I received a letter from Glen & Terry today and they ask me ^{about} my plans so I guess I ought to tell you also.

I am not sure exactly when the plane will arrive in Washington but it will be either Tuesday the 18th or Wednesday the 19th. And since school starts the 28th I will have to leave the 24 or 25th if I go by bus for the West.

I was just reading when it is necessary to send \$25 to the Y showing

that I am accepting the going to the Y.
Since I don't know there is a time
limit would you please send it as soon as you
can. It will be part of tuition

And at to University Treasurer, D-148
A.S.B., Brigham University - Thank You

I am still working hard I think
and we are getting a lot accomplished.
We should baptize that Hermana I was
telling you about this week. and I hope
a few more before I leave. - at least find
some to baptize

Well it is getting late so I will
close.

See you in a couple of weeks

Love always
Gary

P.S. Remember check to the Y. with
a note saying it is for me.
