Dear folks

I was glad to receive your letter the past week and thank you for sending the Check, I sure needed it.

On when I leave, I don't definitely what day, but our 12 weeks is up the 10<sup>th</sup> of January so it should probably 12, 13, 14, or 15 of January on the day.

Oh how much more money I will need I don't really know. I wouldn't need any more till just before I leave but I haven't decided what I need to buy or how much more I will need to pay on rent. I think it should be about \$30 more on rent and I think I better buy a good pair of walking shoes because it doesn't sound like they have good ones in Argentina. And may another white shirt. I have now 2 ss. Deetolene, 2 ss. Deetolene, 2 ss. Deetolene. and I was long sleeve that I am planning on taking with me so I don't know.

over

I bought some Christmas presents  
and I am sending them off tomorrow  
I didn't buy Ruth anything as I wondered if  
you would for me?

Speaking of Ruth, how is  
she doing? and give her my love

Well I have some scripture to  
memorize so I better get back to my studies

Love always  
Harry
