Dear folks

I received your letter today
and I am glad you got to see
Uncle LaVar. It probably did the kid
good to see him.

How are the boys doing in Scouting?
All you said was they had a Court of Honor.

I have found I will need
some more money than what I told you
the fifty dollars you sent me along with
some that both grandparents have sent
me is already gone. I paid some more
on my housing & I owe between \$85 and \$100
in January. and bought another dictionary
shirt. Right now I am washing my
clothes and I don't have a set & left.
So I need some right away.

We started and finished the
1st discussion of the 1st of the past week.
It really is a challenge. Also the
scriptures classes are really tough but
they are coming.

I received a letter from ^{my} Grandmother
the past week and they seem to be doing well.
We have been told we can ~~call~~
call home for Christmas if we want and
was wondering if I did what would be the
best time?

Well I better study (I had to give
a talk Monday morning in Spanish and I
haven't started).

Love always
Harry

P.S. Remember the money
