

June 1, 1968

Dear Folks.

I am sorry that I haven't wrote but I don't know where the time flies.

I have been traveling again and have been awful busy.

When we got back from the Conference we had lots to catch up with here in Mecocha because we were gone for two days and three nights.

And I didn't sit down to write you to last Wednesday when the Z.C.'s walk in and one of them wanted me to go on the road with him as his companion wanted to work here.

We went to Los Arroyos and then to Bahia Blanca. It is a city of around 160,000 and is a main port for ships, navy and mammals. We stayed there around 4 days and return

last night. Elder Jacobs that
was at Provo with me was there
and it was sure great to get
to see and talk to him again.

Here in Pocatello my companion
Elder Ward is going home to marry
and so I have a new companion.
Elder Daniel Jones from Van Nuys
California which is another suburb
of L.A. out by Pico Lake. Things
are really mixed up here and I
don't really have much time
to ~~write~~ write.

I got your letter when
I got back and I am so glad
that you got to see her
and talk to her. She means
so much to me and she wanted
to meet you so.

I. Elder, I have just got the
books out of customs and thank
you so very much. It is just
what I wanted. It cost me
only about 10¢ to get them out

and they are in wonderful
shape. I think they arrived
Friday but I wasn't here.

I got my check & and
have paid off my bills and
am see above water. I will
have to write and thank
Shenfer and Grandmother
when I find time.

Well I am out of
time right now so I will
close

Love always
Harry
