Dear Folks

I am really sorry that I have been lazy and put off writing letters. Last week I was quite busy and when I don't get letters written on Mondays it is almost a unearthly thing to try to get them done later in the week.

Last Monday we went on a picnic with the family we had just baptized out in the country. We must have walk for miles and miles. I had never really gone out in the nature before like we did then. It is just beautiful out there. I come to love Argentina more and more every day.

I really feel blessed of the work to be here, especially here in this branch. The people here are just wonderful and we have more contacts than I have had at one time during my whole mission. Right now we are working with three families and two or three juvenes and I am sure that some of them will join the church.

On your questions on the address. I am sorry that my handwriting has been an obstacle to you and I will try to do better. my address is this

MONOBLOC 3 MANZANA 3 Oto. 2.

By.

That is the complete address. Now all off it is not needed. The parts of Ezeiza, or Partido Matanza. but it would be better to use it all.

The here's work is really moving a long great down here and time is going by so fast I wonder if I will have accomplished the purpose of my mission before it is time to go home. Elders that were juniors when I came down are finishing their mission now and it scares me to death.

Give my love to Ruth & will you. How is she doing any way? fine I hope.

Also you will be getting in a little bit late but have a Happy Anniversary tomorrow. It's your 24th. no

Monday we played basketball against some members of the branch and it almost killed me! I ache all over today but I felt good doing a little physical activity again.

Well I will close for now.

Love Always

Larry

P.S. I am enclosing a picture of my companions and I that we had taken in a park in one of the towns here in our branch.
