IMPORTANT INFORMATION

If your plans change, please cancel your reservations as soon as possible. Thank you.

For better service, United flights are usually available for boarding 10 to 30 minutes before departure time. United requires passengers to present themselves at the *loading gate* at least *five minutes* prior to the scheduled departure time of the flight on which they hold reservations. Reservations of passengers who *do not comply* with this requirement are subject to cancellation.

Your ticket entitles you to a free baggage allowance of 40 pounds for travel within the U.S. and Canada. Generally, 44 and 66 pounds respectively are allowed on Coach and First Class flights to and from Hawaii and international points. A slight additional charge is made for baggage weight over the stipulated amounts.

For future reference you should retain the Passenger Coupon of your ticket.
